

Welcome Message

Dear Colleagues,

On behalf of the Organizing Committee, we're thrilled to welcome you to **the 1st Asian Conference on Innovative Therapies for Diabetes Management (ATTD-ASIA 2024)** held on **18-20 November 2024 in Singapore**.

ATTD is leading efforts in advancing diabetes care, and we invite you to be part of the groundbreaking ATTD-ASIA.

Join us for 2.5 exciting days where clinicians, diabetes care providers, researchers, industries, investors, reimbursement authorities, regulators, and people with diabetes assemble to facilitate the care of people with diabetes at the fastest possible pace.

As pioneers, clinicians, researchers, and industry leaders, your role is pivotal. This conference offers a unique knowledge exchange, collaboration, and innovation platform.

Anticipate engaging presentations and discussions given by many distinguished professionals on cutting-edge topics, including AI-based decision support systems, glucose sensors, closed-loop systems, potent novel medications provided by many outstanding professionals in the field, and more.

ATTD-ASIA 2024 promises to be an exceptional, transformative event in the dynamic city of Singapore, where culture and innovation converge.

We look forward to your presence as we collectively chart new frontiers in advanced technologies and treatments for diabetes.

Yours sincerely,

Professor Moshe Phillip | Professor Tadej Battelino

Conference Chairpersons
